

# The CT565 Smart tub

from **DISSCO**

**Made in  
New Zealand**

Also available in  
465mm (CT465) and  
350mm (CT350) wide  
sizes.

- Cabinet made in NZ for over 25 years,
- Cabinet shelf and tap panel made from NZ Steel ZM100, with a galvanized coating up to 9 times thicker than imported cabinets
- All galvanized steel is powder coated white
- Movable shelf standard in all models, 4 positions
- Child-proof safety catch on all doors
- Integrated overflow and waste system
- Separate washing machine waste water by-pass in all tubs
- Washing machine isolator ball valves pre-connected and mounted on a sturdy movable bracket under the tub ready for easy connection to both the water supply and washing machine
- Shelves can be removed and refitted after installation (ensuring an easier installation)
- Fixed floor plate standard in all models
- DISSCO brand mixer with dual WEL's rating, all taps and connections are pre-tested
- Side knock outs for washing machine hoses
- Stainless Steel 18/8 polished, fabricated tubs made in NZ and proven for over 50 years

Manufactured in New Zealand by Dunedin Stainless Steel Co. Ltd.  
34-44 Sturdee St, Dunedin
